Abstract and full papers submission

Call for abstracts.

Research scholars, PhD students and PE teachers are invited to present their original work on any of the conference sub-themes. The list of the conference sub-themes is not exhaustive and, therefore, authors should not feel limited by them. Authors can submit their original work in the form of an ABSTRACT using the online submission form. More details for registration and submission are available on following link <https://fieps.mk/application/>.

An author may submit only one abstract as the first author and two abstracts as a co-author. The first author will be appointed as the contact person. After the review process, all authors will be notified about their submission (accepted or rejected). Authors notified with an acceptance letter can proceed with payment of the participation fee.

All positively reviewed and accepted abstracts will be published in the Book of Abstracts.

Call for papers

All authors and co- authors who have accepted and positively reviewed abstracts will be invited to submit their full papers. After the review process by two independent reviewers, full-length manuscripts may be submitted for publishing.
